Features

- 410 lumens per foot.
- The 1" ARC series is an ultra-thin LED luminaire with a .98" profile. It delivers high efficiency and visual comfort with multiple options for lighting applications.
- Shallow depth provides sleek, low-profile appearance.
- Available in surface and suspended mount.
- 2 year factory warranty.

Dimensions

Fixture performance

- High performance linear configured LED module boards.
- Each board consists of multiple mid-power, high efficacy LED's in a precise layout eliminating the need for supplemental heatsinking.
- The boards produce an even and diffuse light which maximizes optical efficiency.
- Compatible with the dimming performance of the LED driver.
- Fixture require a remote driver.
